RANDOLPH.

Hearse Horses Ran Away and One Was Badly Cut.

When the hearse and driver returned from the funeral of Miss Gooden on Thursday, one of the men from Gay's stable, Clarence Hall, took the hearse down to the place in which it is stored, and while there, before he had unhitched the horses, they became frightened and broke loose, breaking the pole. They ran up by Tewksbury's store, where they collided with a load of wood and badly cut the leg of one of the horses; but this in no way hindered them and they continued running wildly till they reached the Kimball place on Randolph avenue, when one of them threw itself and in that way they were stopped. The horses are a valuable pair, being four years old, and one is seriously injured, it being necessary to take 30 stitches in the leg where it was cut. It is hoped that it may recover, but the injury is very serious. Thursday seemed a day of runaways, and J. H. Carmody's horse was another which started from his home on Weston street and ran to the depot, where it was stopped without doing serious harm.

Saved His Wife's Life.

"My wife would have been in her grave today," writes O. H. Brown, of Muscadine, Ala., "if it had not been for Dr. King's New Discovery. She was down in her bed, not able to get up without help. She had a severe bronchial trouble and a dreadful cough. I got her a bottle of Dr. King's New Discovery, and she soon began to mend, and was well in a short time." Infallible for coughs and colds, it's the most reliable remedy on earth for desperate lung troubles, hemorrhages, la grippe, asthma, hay fever, croup and whooping cough. 50c, \$1.00. ANTISEPTIC FOR CATARRH

Kills All Catarrhal Germs and Quickly Cures.

Stomach dosing will not cure catarrh. To get relief and cure it is necessary to treat with a harmless antiseptic the air passages of the nose, throat and lungs. This is done best with Mentholatum, a simple, herbal preparation that is applied at night and cures while you sleep. In addition to its antiseptic qualities that kill the germ of catarrh poison, it has healing properties that soothe almost immediately the irritated mucous membrane.

Mentholatum costs only a trifle and you can get a liberal jar for 25 cents from your druggist with a guarantee to refund money if not satisfactory. It stops all aches and cures inflammation and pain, not only of catarrh, but any other troubles.

UNION MUST PAY THE MEMBER IT EXPELLED

Judge Holds That Action Was Illegal and Assesses \$564 Damages and \$129 Costs.

New York, Dec. 22.—Supreme Court Justice Guy decided Wednesday that there is a limit to which a labor union may go in persecuting a member who has been expelled, and signed an order requiring the local organization of the United Necktie Workers' union, affiliated with the American Federation of Labor, to reinstate Samuel Sabo and to pay him \$564 damages for wages lost and \$129 costs.

Sabo said in his complaint that he was a presser in the Necktie Workers' union and was in good standing prior to August, 1910. Then his brother, Joseph, applied for admission, but couldn't pay the \$25 fee and went into a non-union shop. The union later organized this shop and took all the necktie workers in at \$5 each, including Joseph. The union then demanded that Samuel Sabo pay the \$20 difference in his brother's initiation fee and fined him that amount. He wouldn't pay and was expelled. Then he was notified that the union would call a strike wherever he worked.

Sabo said he got employment quickly with Isaac Newman at 301 Mulberry street, and a strike was called there. He was discharged and was out of work three weeks. He was driven from every other place where he secured work, he testified. He said that since the recent strike the union has gained complete control in New York and can prevent any person from getting employment.

Newman, who testified in behalf of Sabo, said that it is next to impossible for a person to get a job and hold it unless he belongs to the union.

Justice Guy decided that there was no cause for expelling Sabo.
